### Provence

Some of the best dishes in Nassau that feature the sunny cuisine of Provence in France are showcased here with the chef's self-styled *cuisine du soleil*. Lying near the end of West Bay Street, Provence prepares many dishes with superb simplicity -- Atlantic salmon with citrus butter, for example -- so as not to mar the natural flavor. Other dishes are heavily spiced such as the rib-eye steak in a fire-breathing pepper sauce. The chefs also turn out a delightful bouillabaisse evocative of the type served in Marseille. Daily seafood specials are featured -- our favorite being the pan-seared sea bass, or else you might order the filet of black grouper.

**Roundtrip Motorcoach Transfer - \$36.00 per person**

It has since been renovated and is now an incredibly romantic restaurant, with outside courtyard dining and elegantly decorated with prints by the French artist, Henri Matisse. Café Matisse features superb Italian cuisine, with quality presentation and service.
